# Art 1: A Day in Your Life Comic

DIRECTIONS: You are going to create a comic strip that will take up two facing pages. You will need to create a name, identify characters, and a simple plot. If you cannot think of an idea, then the default is "A day in your life". You cannot use premade characters. Complete this handout then follow the directions to finish your comic.

Title of Comic	**CHARACTERS (at least 2)**	**PLOT**
What is the name of the comic? This will appear in the first frame with an artist line… ***Example:*** 	Write names and draw a picture of each character	What is happening in the comic strip
