

<p>Step 1: Draw a line to start the lips.</p>	
<p>Step 2: Sketch the top of the lip with two peas and then two notches on the line</p>	
<p>Step 3: Add the lower lip with a dark shadow on the bottom of the lower lip. Also, add a shadow dot on both sides of the lips.</p>	
<p>Step 4: Start shading around and adding shading to the lips. The top lip will be darker than the bottom, but not too dark.</p>	
<p>Step 5: Add more dark shading to the top lip.</p>	
<p>Step 6: Add some curved lines to the bottom lip to give the impression there is the texture of the lip.</p>	
<p>Step 7: Add some finishing touches, darken the line in between the lips, blending where needed.</p>
