

Part 1 - Wayne Thiebaud Cake Art 🍰 Whole Cake

DIRECTIONS: You will create a series of oil pastel drawings in the style of Wayne Thiebaud. Your color palette can be realistic like Thiebaud's or creative. You should incorporate a realistic sketch of the cake and shadows no matter what color palette you choose. The page should be filled with color

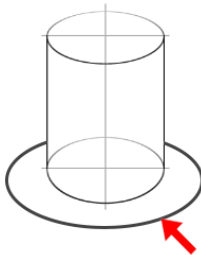

Supplies: 9"x9" paper, pencil, oil pastels

Stage 1: Whole Cake

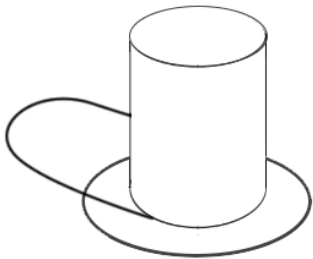

Draw a cylinder

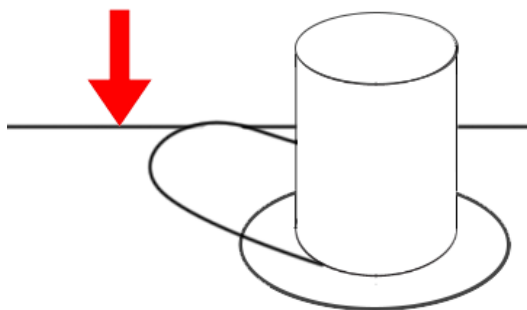

Add a plate under it. And then add a shadow.

And then add a shadow.

And a line that will be the edge of the table and the wall.

You can choose Realistic like Thiebaud or funky color palette for your cake.
